## Welcome to Woodmen

Woodmen Valley Chapel is one church with multiple locations, Rockrimmon and Woodmen Heights. You will notice as you worship with us today, that while we have pastoral and worship arts teams at both locations, our communities are connected via live video-cast in order to worship together as one church body on both sides of the city. Although geographically separated, both communities are expressions of Woodmen in every way: the vision, the passion and the invitation to live authentically and abundantly through faith in Jesus Christ.

### If you're new ...

## Nepal Earthquake Update

Thanks to the ongoing generosity of our congregation, \$25,000 has been donated through our Global Mission fund to help meet the critical needs in Nepal. This amount has been allotted to organizations and local churches which have been validated through our due diligence efforts this week. Several of the organizations are located on site in Nepal and are able to provide immediate assistance.

*Please continue to pray for the people of Nepal.*
