Giving Update and Report

Woodmen Valley Chapel Fiscal Year: Oct 1, 2014–Sept 30, 2015

First Quarter (October 1–December 31, 2014)

General Tithes and Offering (GTO)

| | RECEIVED | REQUESTED | DIFFERENCE |
|---------------------------|-------------|-------------|--------------|
| Week of November 16, 2014 | \$158,517 | \$182,000 | (–\$23,483) |
| For the Quarter | \$1,155,647 | \$1,274,000 | (–\$118,353) |

Note: For each fiscal year, it is our stewardship goal to spend at or less than total received income. At times this results in ministry area cutbacks.

Did You Know ...

Although we did not increase this year's budget request, as we enter the final month of our fiscal year's first quarter we find ourselves \$117,000 behind in our budget need.

The October through December time period represents our "critical dependency" quarter and, as such, is used by both leadership and our ministries to determine whether or not to restrict/reduce our budget and ministry outreach.

As we enter the final weeks of the year, would your prayerfully consider how you may assist us in bridging the gap between giving and budget need by December 31?

As always, thank you for your support and the funding you provide to allow Woodmen to meet our budget and and to support ministries to our church families, community outreach and missions around the world.

We welcome any questions with regard to Stewardship at Woodmen Valley Chapel. For more information, contact Mike Biedermann, Pastor and Chief Financial Officer, 719.388.4932.
