

## Welcome to Woodmen

Woodmen Valley Chapel is one church with multiple locations, Rockrimmon and Woodmen Heights. You will notice as you worship with us today, that while we have pastoral and worship arts teams at both locations, our communities are connected via live video-cast in order to worship together as one church body on both sides of the city. Although geographically separated, both communities are expressions of Woodmen in every way: the vision, the passion and the invitation to live authentically and abundantly through faith in Jesus Christ.
