Ten8cious Stewardship Celebration!

In the book of Philemon, Paul declares "you are generous because of your faith." Our church body has exhibited that same spirit during the Ten8cious Challenge!

Ten8cious Stewardship

Generosity has been on full display throughout the Ten8cious Stewardship drive. What started as a request for an additional \$10 per week over 8 weeks, ended with many responding to the weekly challenge, as well as a significant number of our congregation providing special one-time gifts. We are grateful to our God and our church family for the exceptional response to this call toward biblical stewardship.

This response is especially gratifying considering the Ten8cious Challenge occurred during the slower-paced, lower-attendance, summer months.

Here are just a few of the things God has done in our community through this effort in the weeks since the Ten8cious Challenge was announced:

- Our weekly giving increased by an average of \$14,388 per weekend over the previous year.
- During the Ten8cious Challenge, 169 people gave who had never supported Woodmen before.
- Summer ministry was able to move forward as planned and 113 children trusted Christ as their Lord and Savior at Vacation Bible School.
- Ten out of the last 12 weeks, giving was up over the identical weeks from the previous year.
- You gave sacrificially and generously, as over \$75,000 came in during the final days of the Ten8cious Challenge.
- And finally, the number you've been waiting for ... We received \$227,619 in gifts specifically designated toward Ten8cious. Over that same period of time, many of you chose to contribute to Ten8cious by simply increasing your giving. This combination has resulted in us surpassing our goal with a final tally of \$252,110!

Thank you for being part of what God is doing to transform lives through the Gospel here at Woodmen!
